

AS A FLIGHT ATTENDANT I FEEL THAT THE USE OF CELL PHONES DURING FLIGHT WOULD BE VERY STRESSFUL FOR F. A. AND THEIR PASSENGERS. IT IS DIFFICULT ENOUGH TO GET PASSENGERS ATTENTION DURING SAFETY BRIEFING NOW IF I HAVE TO YELL OVER CELL PHONE CONVERSATIONS IT WILL BE IMPOSSIBLE. THEREFORE THE ENVIRMENT WILL BE AN UNSAFE ONE. PLEASE DO NOT ADD MORE STRESS TO OUR JOBS. ALSO WE DID HAVE TO RETURN TO THE AIRPORT BECAUSE A CELL PHONE WAS LEFT ON IN THE BAGGAGE COMPARTMENT OF THE PLANE AND THE PILOT COULD NOT TALK TO ACT.
